

INFORMATIVE REPORT ON PERSONAL DATA POLICY LEGISLATION 196/2003 ARTICLE 13

Protection of individuals and other subjects with regard to the processing of personal data.

All personal data collected within this web-site is for the use of GRETA Associati and may be used in accordance with the business and services as required.

Personal data will be accessible only by authorized employees of the Company. Staff designated to handle personal data will be made acquainted with the current Personal Data (Privacy) Policy Statement.

It is obligatory to supply the data requested in order to deliver the service required.

In order to deliver the services requested, GRETA Associati may communicate your data to third parties.

Data access or correction requests should be made in writing and addressed to:
